

On the 14<sup>th</sup> June we are holding a cupcake day to raise money for Alzheimer's Society. Staff are going to bake some lovely cakes/cookies to bring in on the day to sell to staff and patients. We will also be having a competition to see which cakes are the best! Please feel free to pop in and buy some cakes.

There are also some fund raising games you can take part in, guess how many cakes in the picture etc. If you would like to participate please see reception.

Thank you very much 😊
